

Mental Maths Daily Drill

Five minutes a day — mixed operations, no calculator

AGES 8-14 • MIXED

Name: _____ Date: _____ Time: _____

How to use this sheet

Set a timer for 5 minutes and answer as many as you can, in your head only.

Write your score and your time at the bottom. Repeat the same sheet next week and compare.

Consistency beats volume: five minutes daily is better than an hour on Sunday.
